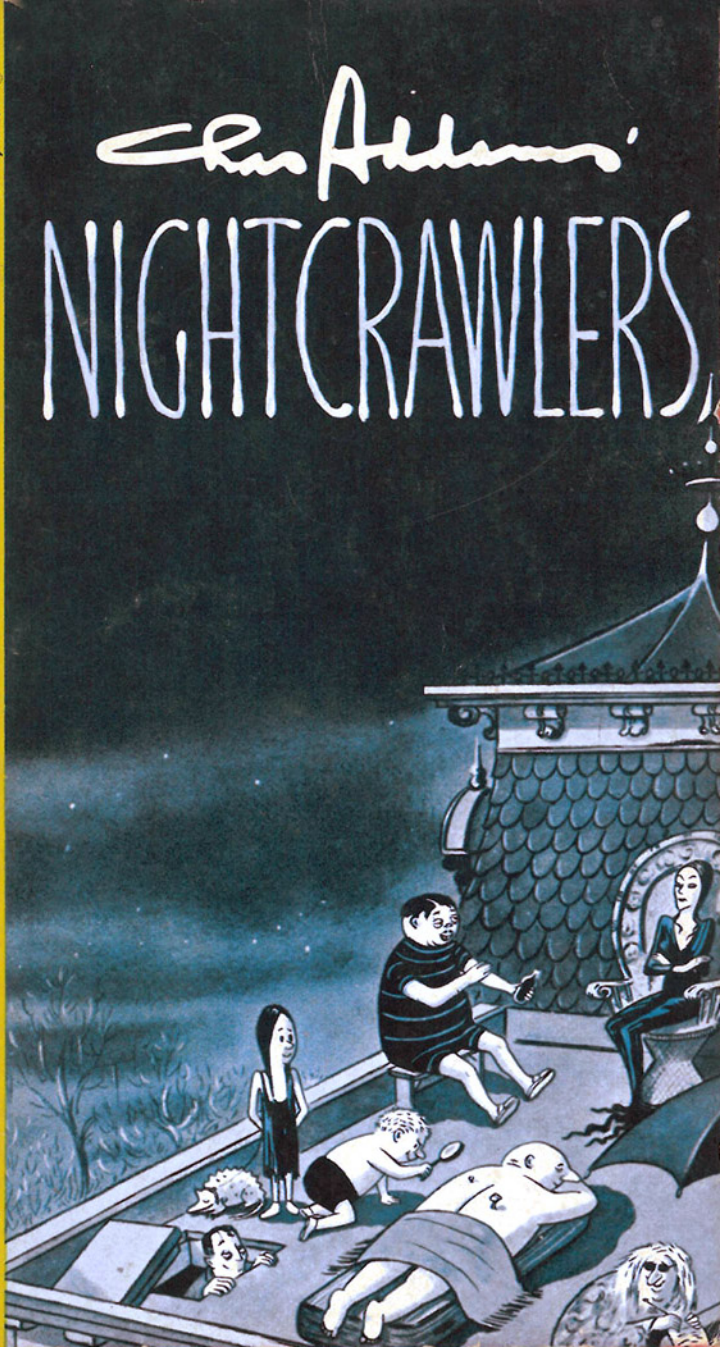
Charles Addams'

NIGHTCRAWLERS



The Complete Book
POCKET BOOKS INC.

Out of the demoniacal darkness of Charles Addams' inkpot comes this new collection of cartoons to haunt you night and day. Some have hovered in the pages of *The New Yorker*. Others lurked in newspapers. All of them are in paperback book form for the first time. All are superb demonstrations of The Addams Paradox — they chill the spine while they lighten the heart.

NIGHTCRAWLERS was originally published by Simon and Schuster.
